## SCHEDULE CODING

### CLASS NAME

Each class has an abbreviated name; example POL 251-3: class name = Political Science, class number = 251, units = 3

### PREREQUISITE

A requirement that must be fulfilled BEFORE taking the class.

### COREQUISITE

A requirement that must be fulfilled AT THE SAME TIME as enrollment in the class.

### CLASS NUMBER

Computer assigned number selected at random, to be used during online enrollment.

### SECTION/GROUP CODE

D = Day                      F = French  
E = Evening                J = SFU NOW  
C = Distance Education   S = Senior Citizen  
U, W, X, Y, Z = Education T = Tri-University  
Professional  
V = Video conference  
\* = enrollment restriction set by department

### TYPE OF MEETING

Lec = Lecture              Tut = Tutorial  
Fld = Field School        Sem = Seminar  
Sec = Section with no meeting time  
Lab = Laboratory        Pra = Practicum  
Std = Studio               Wks = Workshop  
Opl = Open Laboratory   Ins = Instruction  
Olc = Online Conference  
Std = Studio Laboratory  
Rql = Required Laboratory

### DAYS THE CLASS MEETS

M = Monday, T = Tuesday, W = Wednesday,  
R = Thursday, F = Friday, S = Saturday,  
U = Sunday

### TIME OF EACH CLASS

The twenty-four hour clock has been used to avoid confusion between day and evening. For example: a class from 16:30-19:20 is from 4:30 pm to 7:20 pm. To calculate, deduct 12 from the first two digits of the time (16 minus 12 = 4, 19 minus 12 = 7).

### NAME OF INSTRUCTOR

When known, a name is given.

### LOCATIONS

Where the group meets. This is usually an abbreviation for the building name, followed by a room number. For example, AQ3153 = Academic Quadrangle, third level.

The building abbreviations are:

AQ                      Academic Quadrangle  
ASB                    Applied Sciences Building  
(ASSC, Arts and Social Sciences Complex, is replaced by SWH, Saywell Hall)

**BUSINESS ECONOMICS**

Enrollment restrictions are indicated by an asterisk (\*) next to the course section. Upper division required courses (301, 302, 305, BUEC 333 & 400 level) are reserved for students approved in an Economics plan plan (Honours/Joints/Majors/minors). Students who are not declared in an Economics plan may enrol the above courses after November 25th, if space permits. For other 300 level Economics electives, students intending to enrol must have an approved Economics program, OR have a minimum SFU CGPA of 2.40. Students may not enrol in more than one 400 ECON/BUEC courses towards their degree unless previously cleared by the Economics Advisor. Prerequisites for any course may be waived for individual students by the department. In order for a course

to be accepted as fulfilling a Prerequisite, a student must have obtained a grade of C- or higher. Students attempting a course for the first time shall be given the opportunity to enrol prior to any students who have already attempted a course or who have passed the course with a C- or better. Students wishing to repeat a course who have C- or better should see the Economics advisor for permission. For any matters dealing with BUEC 232 see Business Administration undergraduate advisor. For other BUEC courses see the Economics advisor. Tutorials will not be held during the first week of classes.

#### BUEC 232-4 Data and Decisions I

Prerequisite(s): REQ-MATH 157 and 15 units. MATH 157 may be taken concurrently with BUEC 232. STAT 270, Introduction to Probability and Statistics, will be accepted in lieu of BUEC 232. Students with credit for STAT 270 may not take BUEC 232 for further credit.

## BUSINESS ADMINISTRATION

Enrollment in upper division Business Administration courses is open only to those students who are approved into a Business plan. (A business plan is defined as a major, minor, honours and joint programs.) Students are permitted to undertake the lower division business courses without formal faculty admission. Students other than those accepted into a program in Business Administration may attempt enrollment in most upper division Business Administration courses contingent upon requisites met and space available on the day BEFORE the first day of classes. For the Spring 2012 (1121) term this date is Wednesday, January 4th. Non-Business students may not attempt enrollment in upper division Business courses after the first week of classes. Students other than those accepted into a program in Business Administration may NOT attempt enrollment in the following upper division Business courses: Bus 320, 321, 322, 329, 360W, 420, 421, 424 and 426. Enrollment in the following Business accounting courses is restricted to those Business students with an Accounting concentration or an Accounting Honours designation: Bus 321, 322, 329, 420, 421, 424 and 426. Waitlists: Some Business courses have waitlists. These waitlists are for the use of eligible Business students.

While Non-Business students can add themselves to Business waitlists, non-Business students will be removed from the waitlists on a regular basis throughout the enrollment period. \*For all sections in the following courses, all seats within sections, are reserved for approved Business Administration, and approved Management Systems Science majors, honours and minors with 60 or more credit hours: BUS 343, 360W and 361. \*For all sections in the following courses, all seats within sections, are reserved for approved Business Administration and approved Engineering Science majors, honours and minors with 60 or more credit hours: BUS 444, 374, 393, and 446. \*For all sections in the following courses, all seats within sections, are reserved for approved Business Administration and approved Actuarial Science majors, honours and minors with 60 or more credit hours: BUS 312, 315, 316, 360W, 410, 413, 417, 418 and 419

**COMMUNICATION**

Most CMNS undergrad courses are restricted 50% or more to approved CMNS Honours, Major, Joint Major, Extended Minor, CMNS Minor, and/or Dialogue Minor students. They are marked with an \* beside the lecture or seminar or section (e.g., \*D100 as such beside D100, E100, C100, etc.). Students who are unable to enroll themselves into a particular course, even though there appears to be space, or if a course requires special permission, should consult with a CMNS advisor as soon as possible. 100 and 200-level courses are 50% restricted. 300 and 400-level courses are 75% restricted to approved CMNS/DIAL students. These restrictions are removed after the first 3 weeks of enrollment (e.g., 26 Nov. for Spring 2012 enrollment). Publishing is now managed by that program, downtown. Advisor is Jo-Anne Ray (ray@sfu.ca 778-782-5242, room HCC 3576). J100 sections of courses are completely restricted to students in the Nights or Weekends (NoW) cohort program, until 26 November 2011. Then, if space exists, other students may be added in from the waitlists. Contact a CMNS Advisor to be placed on the waitlist, if you experience difficulty doing so yourself. Contact a CMNS Advisor for information on how to become an approved CMNS or Dialogue Minor student, if so desired -- email: cmnsad@sfu.ca, or schedule an appointment with Amy Soo in the General Office (amy.soo@sfu.ca 778-782-3117). Course outlines for all CMNS courses are placed on our website (www.cmns.sfu.ca) as soon as possible. Samples of past outlines are also on the website, and available from our General Office (K9671). Contact 778-782-3687 or 778-782-3117 for info. C100 courses are by distance education, which, if there are no space restrictions or Prerequisite requirements set by the subject department, are available to all eligible students. Course outlines noting the requirements (including computer requirements) are available at the Centre for Online and Distance Education, or by calling 778-782-3524 or 1-800-663-1411 (toll free in Canada) or at www.sfu.ca/cde. For distance education courses only (C100 section), please contact CODE at codehelp@sfu.ca if you are unable to enrol because of an exam conflict. There is a 50 charge for scheduled exam changes, for Distance Education courses.

## ECONOMICS

Enrollment restrictions are indicated by an asterisk (\*) next to the course section. Upper division required courses (301, 302, 305, BUEC 333 & 400 level) are reserved for students approved in an Economics plan (Honours/Joints/Majors/minors). Students who are not declared in an Economics plan may enrol the above courses after November 25th, if space permits. For other 300 level Economics electives, students intending to enrol must have an approved Economics program, OR have a minimum SFU CGPA of 2.40. Students may not enrol in more than one 400 ECON/BUEC courses towards their degree unless previously cleared by the Economics Advisor. Prerequisites for any course may be waived for individual students by the department. In order for a course to be accepted as fulfilling a Prerequisite, a student must have obtained a grade of C- or higher. Students attempting a course for the first time shall be given the opportunity to enrol prior to any students who have already attempted a course or who have passed the course with a C- or better. Students wishing to repeat a course who have C- or better should see the Economics advisor for permission. Tutorials will not be held during the first week of classes.

**PSYCHOLOGY**

Course outlines are available at <http://www.psyc.sfu.ca/ugrad/>. Distance education (C100) course outlines are available at [www.sfu.ca/cde](http://www.sfu.ca/cde). Upper division (300 & 400 level) Psychology courses are reserved for students approved in a Psychology plan (eg. minor, major). Students who are not declared in a Psychology plan may enrol in upper division courses from November 26, if space permits. Students may enroll themselves up to the fifth day of classes. From the sixth to the tenth day of classes, students may enroll through the Psychology Advisor on a first-come-first-serve basis, if space permits. The Psychology Department will activate waitlists, only for courses without tutorials, WHEN THAT COURSE BECOMES FULL.

**STATISTICS**

Courses for Further Credit No student may complete, for further credit, any course offered by the Department of Statistics and Actuarial Science which is a Prerequisite for a course the student has already completed with a grade of C- or higher without permission of the department. Undergraduate Course Sequencing Credit for STAT courses can depend on the order that the courses are completed. There are three kinds of courses offered. Introductory courses STAT 100. Service courses STAT 101, 201, 203, 301, 302, 403. Mainstream courses STAT 270, 285, 300, 330, 350, 380, 400, 410, 430, 450, 460. Upon completing any service or mainstream course, credit may not be subsequently obtained for STAT 100. Upon completing any mainstream course, credit may

not be obtained for any service course. An exception to this rule is that both STAT 302 and STAT 403 may be completed for credit after having completed STAT 270. Distance Education: Distance Education courses that are marked as C100 courses are available to all eligible students if there are no space restrictions or Prerequisite requirements set by the course department. Course outlines noting the requirements (including computer requirements) are available at the Centre for Online and Distance Education, or by calling 778-782-3524 or 1-800-663-1411 (toll free in Canada) or at www.sfu.ca/cde.

## Spring 2012 exams

April 13 to 23, 2012

### CONFLICTS

It is your responsibility to ensure that you do not enrol in classes with conflicting exam times. If you have a good reason to enrol in classes with conflicting exam times, you may request the permission of the departments offering those classes.

NOTE: if you have an exam at one location (e.g. Burnaby Mountain) followed immediately by an exam at another location (e.g. Harbour Centre), please report this to the Departmental Assistants as soon as possible. Advance arrangements will be made for you to write both exams at a single location.

### ONLINE AND DISTANCE EDUCATION

If you are enrolling in a distance education course, please refer to the Centre for Online and Distance Education (CODE) website ([www.code.sfu.ca](http://www.code.sfu.ca)) for important information.

If you live on the BC Mainland, south of Squamish or west of Chilliwack, you must come to the Burnaby campus to write your distance education exam(s). Distance education midterms are scheduled in the evening and the time is noted in the class schedule at [sis.sfu.ca](http://sis.sfu.ca). If a distance education midterm conflicts with another SFU class, you may contact CODE and request that your distance education exam be rescheduled. If you are unable to enrol in a distance education class because the distance education final exam (see schedule below) conflicts with the final exam for another class in which you are enrolled, you may contact CODE and request that the distance education exam be rescheduled. If rescheduling is approved, you will be enrolled in the distance education class. Note: there is a \$50 fee for each rescheduled distance education exam. For information call 778.782.3524 or 1.800.663.1411 (toll free in Canada) or email [codehelp@sfu.ca](mailto:codehelp@sfu.ca).

NOTE: if you choose to write your exam(s) outside of North America you must contact the Centre for Online and Distance Education to receive approval.

### EXAM SCHEDULE

The exam schedule in this pdf does not include room numbers. It does include class numbers and sections, the day, date and time of the exam, and the type.

|                        |                   |
|------------------------|-------------------|
| Section types          | Examination types |
| D = day                | R = regular       |
| E = evening            | O = open book     |
| C = distance education | S = special       |

It is the responsibility of students to attend the final examinations scheduled for their classes: you must check online at [sis.sfu.ca](http://sis.sfu.ca) for the most current information. A paper examination schedule with room numbers will be posted on or before Wednesday, February 29, 2012 at the following locations:

#### BURNABY CAMPUS

- Student Services, Maggie Benston Student Services Centre 3100
- Classroom Technology Assistance, P9301
- Third Floor Reference Desk, W.A.C. Bennett Library

#### VANCOUVER CAMPUS

- Information and Registration Services
- Reference Desk, Belzberg Library

#### SURREY CAMPUS

- Reference Desk, SFU Surrey Library

#### ONLINE EXAM SCHEDULE

The final examination schedule is available at [sis.sfu.ca](http://sis.sfu.ca). Please note that room information will be posted online no later than Wednesday, February 29, 2012.

Official changes to the final examination schedule will be on [sis.sfu.ca](http://sis.sfu.ca), and posted on paper at the Burnaby, Harbour Centre and Surrey locations as they occur.

NOTE – If an exam change is indicated elsewhere than in these locations, for example on the door to the examination room, and is not posted at the official locations or at [sis.sfu.ca](http://sis.sfu.ca), the student must verify the change at the department's general office or with the instructor of the class. If it is not possible to verify a change, the student must attend the examination at the originally scheduled time.
